

## **WildUAV Dataset License**

### **TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION**

#### Definitions

"Dataset" refers to the collection of color and depth images, along with the associated metadata files and all code samples provided as part of the WildUAV release.

"Extension" refers to the set of semantic segmentation images which extend the original Dataset. Henceforth, the term "Dataset" will refer to both the original collection of data, as well as the Extension, unless otherwise noted.

"Authors" refers to the authors of the WildUAV paper and the authors of the semantic segmentation Extension.

"You" refers to the individual/entity who accesses the Dataset, subject of the present terms.

By accessing and/or downloading the Dataset You are agreeing to comply with the present terms and conditions.

Use of the Dataset is limited to (i) non-commercial research purposes, (ii) teaching or (iii) personal experimentation. In any public works conducted with the Dataset and/or the Extension, You are required to include a notice that the research was conducted with the Dataset and/or the Extension

Use of the Dataset for any commercial purposes, including the use of any models pre-trained/trained/refined on or augmented with the Dataset is strictly forbidden.

The Authors have taken reasonable care to remove any identifiable information from the Dataset, including exact location, faces and license plates. The Authors prohibit You from using the Dataset in any manner to identify persons. You are encouraged to inform the Authors of any elements in the Dataset which may contain personal information, in order to correct them.

The Dataset may be subject to updates, with or without notice. The Authors are not obliged in any way to provide updates or any form of support. These terms and conditions may be amended. You are responsible for periodically reviewing them and agree to such amendments.
